PART I

REVENUE-FOREST.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Revenue-Forest),—dated 11th May 1893.

READ :—

Letter No. 4002—281, dated 22nd April 1893, from the Inspector General of Forests in Mysore, proposing terms of contract for teak sleepers for the Birur-Shimoga Railway.

READ ALSO :—

Office notes on previous contracts with contract bonds furnished to the Chief Secretary from the Office of the Inspector General of Forests.

No. 18738-41—R. F. 315-92, DATED, BANGALORE, 11TH MAY 1893.

ORDER THEREON.—The arrangements made with Siddaboyi for manufacture of sleepers at Lakkavalli for the Hindupur Line have not been satisfactory. Similar arrangement should not be repeated in the future.

2. The last arrangement for sleeper-supply made with Mr. J. Wallace was much better and should be adhered to.

3. The Government are satisfied that under that arrangement, the price chargeable to the contractor for teakwood supplied for manufacture of sleepers cannot be more than (13½) thirteen and a half annas per cubic foot, if the value of sleepers is assumed at Rs. 2—8—0 per sleeper.

4. Under such circumstances, Government are pleased to direct that the contract for 80,000 sleepers required for the Birur-Shimoga Railway may be given out to Mr. Wallace, the price payable for wood supplied to him being, as before, (13½) thirteen and a half annas per cubic foot, and that for every approved and accepted sleeper taken over from him, being Rs. 2—8—0. If the Railway Department can pay more than Rs. 2—8—0 the Forest Department can sell to them for a higher price, and the difference can of course be credited to the Forest Department.

5. Form of agreement embodying the terms, which, at a personal conference with the Dewan, Mr. Wallace has agreed to, is herewith sent to the Inspector General of Forests for adoption.

6. Mr. Wallace is practically an employé or agent of Government for manufacturing Railway sleepers out of timber, the property of Government. The agreement specifies the manner in which he is to be remunerated for such work. A deposit as security under such circumstances is considered unnecessary and is therefore not provided for. The Inspector General of Forests will make arrangements for its execution, for the regular supply of timber, and for the early commencement of work.

T. ANANDA ROW,
Chief Secretary.

To—The Inspector General of Forests and Plantations in Mysore, with form of agreement.
The Joint Secretary to the Government of Mysore, Public Works Department (Railways.)
The Chief Engineer in Mysore.
Mr. J. Wallace.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Revenue-Forest),—dated 11th May 1893.

Stamp.

Form of Agreement for the supply of Teak Sleepers for the Birur-Shimoga Line.

I. Limit. The extent of the agreement is for 80,000 metre gauge rectangular sleepers to be delivered approximately in equal parts at Tarikere and Shimoga.

II. Quality. The sleepers to be of sound wood, straight and free from cracks, sapwood, shakes or other defects.

III. Dimensions. The sleepers must be rectangular not less than six feet in length, eight inches in width and four and a half inches in thickness.

IV. Adzing. Each sleeper to be correctly and neatly adzed in two places according to template, so as to receive the foot of the rails on a true surface.

V. Delivery. Sleepers are to be examined, passed and stamped at the contractor's yard. Accepted sleepers are to be delivered by contractor in the goods-yard of the Railway Station nearest thereto. Such delivery to be at the contractor's own cost and risk.

VI. Rate of delivery. Not less than 7,000 and not more than 10,000 sleepers to be delivered monthly on or before the 25th of the month. The contractor shall give a week's notice in writing to the Chief Engineer at Bangalore, stating the number ready for inspection and delivery.

VII. Inspection. The sleepers delivered monthly will be inspected by the Chief Engineer or by any officer deputed by him for the purpose and a receipt granted for the number accepted. The contractor shall provide free of cost to Government all labor required for the purpose of examination and marking accepted sleepers in such manner as may be decided upon by the inspecting officer. If the number of sleepers rejected should exceed 10 per cent, timber equivalent to such excess over and above 10 per cent shall be supplied by the Forest Department free of cost, the contractor handing over the excess of the rejected sleepers to the Forest Department.

VIII. Supply of timber. The Forest Department will supply the contractor with stunted teak logs fit to be cut into sleepers at annas (13½) thirteen and a half per cubic foot for lengths of six feet and multiples of six feet. The contractor shall grant receipt for the same and shall not use the wood for other than sleepers. The contractor shall also be bound to utilize each and every piece which is fit to yield one or more sleepers in any length of 6½ feet.

IX. Settlement of disputes.

In case of dispute the decision by a majority of a committee consisting of the Deputy Commissioner of the District or an officer deputed by him, the Chief Engineer or an officer deputed by him, and a gentleman of similar standing to be called by the contractor, shall be final. The contractor's Work-shop shall at all times be open to inspection by the Deputy Commissioner or the Forest Officer of the District or the Chief Engineer or the officer deputed by him.

X. Bills.

Bills accompanied by receipts obtained for the number of sleepers accepted by the Chief Engineer or the officer deputed by him, shall be submitted by the contractor to the District Forest Officer within 5 days after the date of acceptance.

XI. Payment.

The Forest Department under the Deputy Commissioner will pay the contractor for each approved rectangular sleeper Rs. (2—8—0) two and annas eight, which shall include all expenses and risks incurred by him in course of manufacture of the sleepers from the time of the receipt of logs from the Forest Department till the completion of delivery on the premises referred to in para V. Out of Rs. 2—8—0, three-fourths will be credited to Government for wood and one-fourth paid to the contractor until the debit for the logs is cancelled, when payment at full rate per sleeper accepted will be made. In consideration of the above debit to the contractor of (13½) thirteen and a half annas per cubic foot of log measurement specified in para VIII, all rejected sleepers within ten per cent of total number of sleepers inspected and wastage of the teak logs after manufacture of sleepers, shall become the property of the contractor, which he may dispose of from time to time, provided the Deputy Commissioner has no claims against him under the terms of this agreement.

XII. Extension of time.

If the contractor shall be hindered in the supply of wood for sleepers so as to necessitate an extension of the time specified in para VI, he shall apply in writing to the Deputy Commissioner, who, subject to approval of the Inspector General of Forests, shall grant it in writing if reasonable grounds be shown for it.

XIII. Other conditions.

The Inspector General of Forests shall be at liberty on the report of the Deputy Commissioner as to failure of delivery of sleepers as per para VI or within the extended time as per para XII to cancel,

the contract altogether or to have the supply completed at the contractor's risk and expense as he may deem best suited to the interest of Government, and the contractor shall have no claim to compensation for any loss that he may incur in any way.

The contract shall be liable to be cancelled in case the contractor fails to abide by any of these terms.

Inspector General of Forests
on behalf of the
Mysore Government.

I agree to all the above terms.

Date *Witness.*

Contractor.

LOCAL BOARDS BRANCH—MUNICIPAL.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Local Boards Branch—Municipal),—dated 22nd May 1893.

READ :—

Letter from the Deputy Commissioner of the Kadur District, dated 29th April 1893, No. 332, submitting a supplemental Budget Estimate of the Chikmagalur Municipality for the year 1892-93.

No. 19747-9—L. F. 244-92, DATED, BANGALORE, 22ND MAY 1893.

ORDER THEREON.—The supplemental estimates now submitted are given below :—

RECEIPTS.

		Rs.
X.	Miscellaneous—	
	(*h*) Other items	2,200

EXPENDITURE.

XI	Miscellaneous—	
	(*a*) Repayment of loans	8,166

2. *Receipts.*—The additional income expected consists of Rs. 1,300, being the amount spent in connection with the reception of His Highness the Maharaja of Mysore at Chikmagalur, and Rs. 900, the savings expected in the sanctioned estimates for 1892-93. The former sum will be allowed but as in the absence of information of the specific heads under which savings are expected, it is not safe to estimate Rs. 900 from this source, the item will be struck out. The estimated receipts for 1892-93 as now sanctioned amounts Rs. 16,947.

3. *Expenditure.*—To meet the excess expenditure of Rs. 10,000 incurred in 1892-93 over the advance made from Local Funds General for the water-supply project at Chikmagalur, the Deputy Commissioner enters only Rs. 8,166 under the head "XI. Miscellaneous (*a*) Repayment of loans" and states the balance cannot be provided for in the current year's Budget owing to the insufficiency of funds. Government observe that including the actual balance on 1st July 1892, the sum available for expenditure during 1892-93 is Rs. 33,678. Deducting from the amount, the estimated expenditure including the above sum of Rs. 8,166, the estimated balance at the end of the year will be Rs. 7,379, which is much in excess of 30 per cent of the receipts. The supplemental estimate now proposed will accordingly be raised from Rs. 8,166 to Rs 10,000, but will be shown under the head " VIII. P. W. (*f*) Water-supply, Original."

Government note that if funds are found unsufficient in 1893-94, reductions will have to be made in the usual charges, if by the imposition of a water-tax or by revision of the House and Mohatarfa taxes, the Municipal revenue does not improve in the next year.

The estimated receipts and expenditure as now sanctioned will stand as shown below:—

		Rs.	Rs.
(1)	Actual balance on 1st July 1892		16,731
(2)	Estimated receipts for 1892-93		16,947

Letter from the President of the Bangalore City Municipality, dated 12th May 1893, No. 269.

Owing to the order of the Government contained in Proceedings No. 11585—L. F. 128-92, dated 11th January 1893, which is understood to mean that fair copies should also be signed by me while I am at the Head Quarters, papers are often delayed and my time is unnecessarily occupied. Though the Proceedings above quoted are susceptible of the interpretation put on them and though I have, to be on the safe side, followed that interpretation, I do not believe that the Government wish me to sign fair copies. Drafts of letters have always been passed by me and I shall also pass the drafts of Returns and Notifications of sanction while at the Head Quarters, and I beg that the Government may be pleased to allow me to get the Vice-President to sign fair copies of letters, Returns and Notifications whether I am present in or absent from the Head Quarters.

No. 19821-2—L. F. 181-92, DATED, BANGALORE, 23RD MAY 1893.

ORDER THEREON.—The proposed adjustment of Rs. 155—9—0 by a debit to Banavar and credit to Harnahali and Arsikere in the proportion of Rs. 123—3—4 and Rs. 32—5—8 respectively is sanctioned.

2. As already remarked in Para 17 of Government Proceedings, dated 24th February 1893, No. 14284-326—L. F. 315-92, the practice of utilizing the funds of one Municipality for another without the previous sanction of Government is irregular and ought not under any circumstances be resorted to.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Local Boards Branch—Local Funds),—dated 3rd May 1893.

READ AGLIN :—

Docket from the Deputy Commissioner of the Shimoga District, dated 19th February 1893, No. 1109—1066, submitting District Fund Budget Estimates of the Shimoga Circle for the year 1893-94 ending 30th June 1894, together with a copy of Proceedings of the District Fund Board, dated 16th January 1893 and a Memo on Budget Estimates.

READ :—

Docket dated 29th March 1893, No. 1209—1163, from the same officer submitting, as called for in this office Docket, dated 17th idem, No. 15237—L. F. 107-92, a detailed statement showing the names of Travellers' Bungalows and Musafarkhanas, &c., together with number and cost of servants maintained at each.

No. 18026-30—L. F. 107-92, DATED, BANGALORE, 3RD MAY 1893.

ORDER THEREON.—Government resolve to review the District Fund Budget Estimates of receipts and expenditure of the Shimoga Local Fund Circle for the year 1893-94 ending 30th June 1894.

2. The estimated receipts under all heads for 1893-94 amount to Rs. 88,550 against Rs. 92,640, the actuals of 1891-92, and Rs. 81,896, the sanctioned estimate for 1892-93, as shown in the following statement :—

Items.	Details.	Actuals of 1891-92.	Estimate for 1892-93.	Estimate for 1893-94.
I.	Seventy-six per cent of Local Cess	79,732	73,974	79,732
II.	Sale of Stray Cattle	1,278	1,400	4,974
III.	Fine for Cattle Trespass	3,696	3,300	
IV.	Ferry Collections	2,900	2,800	2,890
V.	Tolls	444	380	444
VI.	Fees from Travellers' Bungalows	16	35	50
VII.	Private Contributions	179	...	...
IX.	Miscellaneous	4,395	7	460
		92,640	81,896	88,550

3. *I. Seventy-six per cent of the Local Cess.*—The estimate, which is the same as the actuals of 1891-92 will be retained ; but with reference to the absence of any figure in Column 5 of the enclosure A to the Budget statement, the Deputy Commissioner is requested to state whether the whole demand for 1892-93 is expected to be collected before 30th June 1893, leaving no outstanding balance at the beginning of 1893-94. If not, it should be explained why the column has been left blank, and what amount has to be entered therein and how much of this balance may be collected during 1893-94. Early explanation is requested on this point.

4. *II. Sale of Stray Cattle and III. Fines for Cattle Trespass.*—The lump sum estimate entered against these heads is the same as the actuals of 1891-92 and does not apparently represent the gross income including remuneration payable to pound-keepers and feeding charges, for which due provision has been made

on the side of expenditure. The estimate will accordingly be raised by Rs. 1,000,* as, in accordance with Government Proceedings, dated 17th May 1892, No. 14603-11—L. 1509, the gross income inclusive of the above items has to be entered on the side of receipts. The Deputy Commissioner should report in what proportions the lump sum estimate of Rs. 4,974 under these heads has to be shown against each.

	Rs.
* Feeding charges ...	500
Remuneration to Pound-keepers ...	500

5. *IX. Miscellaneous.*—The decrease is due to a large sum of Rs. 3,750 realized in 1891-92 under the head "Refunds," while no income is expected from this source in 1893-94. The estimate of Rs. 460 for 1893-94 is stated to be the income expected from the "Branch School" in the town. This item, as remarked in para 4 of Government Proceedings dated 9th January 1892, No. 11074-8—L. 1003 is creditable to the "Village School Fund" and not to "District Funds." It will accordingly be struck out.

6. The opening balance on 1st July 1893 will be Rs. 39,777 against the Circle as per particulars given below :—

				Rs.
(1)	Actual balance on 1st July 1892			20,139
(2)	Estimated receipts for 1892-93			81,896
(3)	Total including balance			1,02,035
(4)	Deduct expenditure for 1892-93—			
	1. Civil charges	13,077		
	2. Public Works to be executed by Public Works Department ...	1,22,180		
	3. Do do Revenue Department ...	6 555		
			1,41,812	
(5)	Estimated balance on 1st July 1893			—39,777

7. Excluding the above balance from the estimated income, the sum available for expenditure during 1893-94 is Rs. 48,313, but the proposed charges exceed this amount by Rs. 78,969*. To meet this deficit, the District Fund Board in their explanatory Memo on the Budget, solicit a grant-in-aid of Rs. 35,000 from Local Funds General for at least 10 years commencing from 1892-93 or to relieve the District Funds of the two road systems in Sagar and Channagiri which will cost about 5 lakhs and 1½ lakhs respectively; the same being charged to Provincial. It is observed that it is absolutely necessary that a Local Fund Committee should limit their expenditure to the funds at their disposal and there appears to be no special grounds for an annual grant-in-aid being made to this District from Local Funds General. Government are not therefore prepared to entertain the Board's proposal for a grant-in-aid; but their request to transfer the roads referred to, to "Provincial" will be considered in the Public Works Department and an extract of para 8 of the Memo will be forwarded to the Secretary, Public Works Department, for early report. Pending final disposal of the question raised by the Board regarding the transfer of roads, the estimated expenditure has to be reduced.

		Rs
*(1)	Civil charges ...	14,912
(2)	Public Works to be executed by Public Works Department	1,09,700
(3)	Do do Revenue Department...	2,640
	Total.....	1,27,282
	Deduct sum available...	49,313
	Deficit ..	77,969

8. The estimated "Civil Charges" exhibit an increase of Rs. 1,865, compared with the sanctioned estimate for 1892-93 as shown below:—

Items.	Details.	Estimate for 1892-93.	Estimate for 1893-94.
I.	Office Establishment	420	420
II.	Medical Scholarships	611	611
III.	Hospitals and Dispensaries	4,582	4,915
IV.	Midwives	1,080	1,080
V.	Sweepers for Travellers' Bungalows	1,504	1,596
VI.	Conservancy and Sanitary charges	4,010	4,000
VII.	Vaccination	95	100
VIII.	Refunds	...	20
IX.	Contribution	...	...
X.	Miscellaneous	825	2,200
		13,077	14,942

9. *I. Office Establishment.*—The estimate does not include the amount of contribution payable by the Shimoga Local Fund Circle towards the cost of establishments, maintained in the Dewan's and Comptroller's Offices. A sum of Rs. 290 will be entered on this account in the present Budget.

10. *II. Medical Scholarships.*—The amount that has to be provided under Government Proceedings, dated 24th December 1887, No. 5832-43—149, is only Rs. 521 and not Rs. 611, as entered in the Budget. The estimate will accordingly be altered.

11. *III. Hospitals and Dispensaries.*—The provision made for 1893-94 includes the marginally noted items.

		Rs.
(1)	Branch Dispensary at Shimoga...	200
(2)	Local Fund Dispensary at Kallukatte	480
(3)	Furniture for do do ...	192
(4)	Reserve for purchase and repair of furniture for 1892-93 ...	428
(5)	Travelling allowance to Hospital Assistants ...	155

12. *Items* 1, 2 *and* 3, which are in accordance with Government Proceedings, dated 20th May and 23rd December 1892, Nos. 2951-3—L. 411 and 9326-9—L. F. 279-92 respectively will be passed.

13. *Item* 4.—A provision of Rs. 417 exists in the Budget for 1892-93 on account of repair of furniture in the several Local Fund Dispensaries and there is no reason why a provision of Rs. 428 should be repeated in the present Budget. Pending explanation for its necessity, the amount will be disallowed.

14. *Item* 5.—The travelling allowance to Hospital Assistants is a proper charge upon Provincial Funds and not District Funds, and the sum of Rs. 155 entered for the purpose will be struck out.

15. *IV. Midwives.*—The provision made under this head consists of Rs. 360, a moiety of the salaries of 4 midwives, to whom scholarships were granted in 1892-93, and of Rs. 720 on account of scholarships proposed to be given to 6 students in accordance with Government Proceedings, dated 1st December 1892, No. 7505-7—L. F. 255-92. The estimate is passed.

16. *V. Sweepers for Traveller's Bungalows and Musafarkhana.*—The proposal to charge the cost of the sweeper at the "Ulvi Inspection Lodge" entirely to District Funds is disapproved and the increased provision of Rs. 32 therefor is disallowed. The increases proposed to be granted to the servants of the marginally noted buildings chiefly account for the increase in the estimate. They are sanctioned and the provision is approved.

1.	Sorab Bungalow	sweeper from Rs.	4 to 5
2.	Kallurkatte	do from ,,	4 to 5
3.	Benavalli	do from ,,	4 to 5
4.	Gadikoppa Musafarkhana	from ,,	2 to 4
	Total increase per annum.. Rs.		60

17. *IX. Contribution.*—With reference to the omission of any estimate under this head, the Deputy Commissioner is requested to state whether there are no District Fund roads within the limits of the Shimoga Municipality, for the maintenance of which contributions have to be made to the Municipality in accordance with the Chief Engineer's Circular, dated 20th December 1889, No. 97—98. If there are such roads, their length and the amount payable therefor should be reported in view to the necessary provision being made under this head, corresponding reduction being made in the estimate under "II. Repairs to be executed by Public Works Department."

18. *X. Miscellaneous.*—The estimate under this head consisting of the marginally noted details, makes no provision whatever for the destruction of the cover to snakes afforded in or near villages. A sum of Rs. 1,000 will be entered in the Budget.

		Rs.
1.	Repairing cattle pounds ...	860
2	Feeding charges of impounded cattle	500
3.	Remuneration to pound-keepers ...	500
4.	Refunds	20
5.	Other items	340

19. *I. Original Works.*—Owing to insufficiency of funds the provision made for new works amounting to Rs. 13,000 will be struck out altogether and that proposed on account of the following works will be reduced as specified against each, pending the settlement of the question raised by the Board regarding the transfer of the two systems of roads referred to in para 7 *supra* :—

		Rs.
A.	Works to be executed by Public Works Department ...	57,900
B.	Works to be executed by the Revenue Department ...	500
	Total Rs.....	58,400

No.	Details.	Proposed.	Sanctioned.	Reduction.
1	Avinahalli to Karur road	10,000	3,000	7,000
2	Talaguppa to Mensogar road	10,000	3,000	7,000
3	Sulikere-Sosale Railway feeder	5,000	2,000	3,000
4	Channagiri to Malebennur, 2nd Section, Sulikere to Basavapatna	3,400	1,400	2,000
5	Do do 3rd Section	5,000	1,500	3,500
6	Improving Channagiri-Honnali road, 1st Section ...	10,000	3,000	7,000
		43,400	13,900	29,500

20. *II. Repairs.*—The increase under repairs executed by Public Works Department is partly due to the provision newly made in the present Budget on account of the maintenance of 43 miles of roads recently constructed and partly to the enhancement of the rate of maintenance for some of the old roads. Owing to the insufficiency of funds, the provision made for Special Repairs will be struck out altogether and that proposed for "Reserve" will be reduced from Rs. 3,035 to Rs. 1,035.

		1892-93. Rs.	1893-94. Rs.
A.	(1) Annual repairs to be executed by Public Works Department ...	23,215	26,065
	(2) Reserve		3,035
	(3) Special repairs ...		7,500
	Total		36,600
B.	Annual repairs to be executed by Revenue Department ...		2,040
	Reserve		100
	Total		2,140

21. *III. Establishments.*—The charges on account of establishments, which are nearly 16 per cent of the estimated expenditure on works will be reduced with reference to the reduction made under works. The estimate will accordingly be altered to Rs. 6,554.

22. The other items call for no special remarks.

23. Subject to the explanation called for, the Budget Estimates of receipts and charges for the year 1893-94 are sanctioned as shown in the accompanying Appendices of which the following is an abstract :—

		Rs.		
(1)	Estimated deficit on 1st July 1893		...	—39,777
(2)	Do receipts for 1893-94		...	88,090
(3)	Total including balance			48,313
(4)	Estimated expenditure for 1893-94—			
	(*a*) Civil charges	15,527		
	(*b*) Public Works to be executed by Public Works Department ...	49,254	...	67,421
	(*c*) Public Works to be executed by Revenue Department ...	2,640		
(5)	Estimated deficit on 30th June 1894 ...		...	19,108

24. As shown above there will be a deficit of Rs. 19,108 at the end of the year under review. On receipt of information called for from the Chief Engineer in para 7 *supra*, the necessary orders will be issued in regard to the debit balance.

APPENDIX VII.

DISTRICT FUND BUDGET FOR 1893-94.

MEMORANDUM.

1. In Government Proceedings No 11074-78—L. 1003. dated 9th January 1892, sanctioning the Budget Estimate for the Shimoga District, Government has observed in para 5 that the probable opening balance in favor of the District on 1st April 1892 would be Rs. 26,521 and not Rs. 68,309 as given by the District accounts The large difference of Rs. 41,797 is due to the difference between the balances as shown in the District accounts and in those of the Comptroller. I believe the Deputy Commissioner is in correspondence with the Comptroller as regards this large difference and nothing definite has, as yet, been settled.

2. Owing to the insufficiency of funds, the Public Works Department share of the Budget for 1892-93 was reduced by Rs. 14,000 under "Original Works" and Rs. 2,570 under "Establishment charges," leaving an estimated balance of Rs. 3,692 on 1st April 1893, *vide* paras 6, 14, 18 and 20 of the above quoted Proceedings. But the eleven incomplete major works of 1891-92 having been insufficiently provided for in the Budget of 1892-93, a re-appropriation statement providing for additional funds to the extent of Rs. 34,600 was passed by the Local Fund Board on 5th August 1892, and submitted to Government for sanction of the additional allotment required. Accordingly Government in their Proceedings No. 4433-5—L. F. 107-92 of 17th September 1892, sanctioned the re-appropriation statement with an additional allotment of Rs. 34,600.

3. The Public Works Department share of the Budget including the re-appropriated grant was thus increased from Rs 87,580 to Rs. 1,22,180. The latter figure was provided in the final issue of the Public Works Department Budget and sanctioned by Government in Proceedings No. 5331-52—8-53—74, dated 9th December 1892. With this increased allotment to the Budget, the estimates of expenditures for 1892-93 exceed those of the receipts by Rs. 33,395 as shown below :—

Receipts.

		Rs.
(1)	Opening balance on 1st April 1892	26,521
(2)	Estimated Receipts for 1892-93	81,896
	Total Receipts....	1,08,417

Expenditure

(1)	Civil Charges for 1892-93	13,077
(2)	A. Public Works under Public Works Department ..	1,22,180
(3)	B. Do Revenue Department ..	6,555
	Total Expenditure....	1,41,812
	Estimated Balance on 1st July 1893....	33,395

Thus the expenditure in 1892-93 will be a debit to the receipts of 1893-94, if Rs. 34,600, sanctioned in Government Proceedings No. 4433-5—L. F. 107-92 of 17th September 1892. be not appropriated from Local Funds General, of which, I understand, there is a large balance There is also the large difference of Rs. 41,797 between the Comptroller's balance and that of the District accounts, which, if found after investigation, to the credit of the District, the District Funds will be solvent at least for 1892-93. I have, however, shown in the preparation of the Budget for 1893-94 under column "Estimate for 1892-93," the final Budget grant for the year with a minus closing balance of Rs. 33,395.

4. *Budget Items of Expenditure for* 1893-94.—Under "Original A" Rs. 57,900 have been provided for, of which, Rs. 44,400 will be required for 6 incomplete major works of 1892-93. The allotments made for them cannot conveniently be reduced. The seven new works proposed with an allotment of Rs. 11,000 are the more important of the several works proposed at the

meeting by the Members and the necessity for embodying them in the Budget notwithstanding insufficiency of funds is shown below :—

(7) Extending Anantpur-Shikarpur Road.—This road has been partly opened from Shikarpur to Ambligolla, a distance of 9 miles Further extension to Anantpur which will be about 9 miles is urgent to establish a thorough communication between Shikarpur and Sagar and Nagar Ghats. It will also open up communication with the existing systems through the Jungles to the south-west of Shikarpur.

(8) Bridging Koppa-Tirthahalli Road.—The formation of this road, as far as the frontier of the District together with its smaller tunnels, is being completed this year. There are, however, 4 larger streams to be bridged, without which, the traffic on the line is greatly inconvenienced. So far as the road is concerned, it will be completed this official year. Provision for bridges to be undertaken next year is therefore urgent.

(9 and 10) Completing Lakshmipur-Mavinkar and Tirthahalli-Hulikal Roads.—These roads were undertaken during 1885-86, 1888-89, and small amounts spent in tracing and opening very difficult parts. Much still remains to be done. Tirthahalli-Hulikal road is an important link connecting the Nagar and Tirthahalli systems of roads and the opening of which is very much desired by the people. It also forms an important feeder to the Ghats of Agumbe and Hyderghar. Lakshmipur-Mavinkar Road leads to the sanitarium at Kodachadri and opens up a small part of Nagar Taluk. Both these roads being incomplete, it is desirable that their completion should no longer be delayed

(11) Opening road from Hunchakatte to Kallurkatte.—This is the first portion of a new road between Kallurkatte and Malur in Tirthahalli Taluk *viâ* Hunchakatte. There is now a fair weather cart track which can be improved at a small delay. The road does not cross any large drainages and if opened will serve a large part of Nagar and Tirthahalli Taluks.

(12 & 13) Constructing Musafarkhanas at Ambligolla and Yadur.—The want of these rest houses is very much felt. In the Provincial Budget, provision will be made for two other urgent Musafarkhanas, and as funds will not be available for these as well, they have been provided here.

5. Under "Original B" a sum of Rs. 500 is provided for under "Reserve" as required by the Deputy Commissioner for well works.

6. Under "Repairs A." last year's grant was Rs. 31,450, but provision for the year 1893-94 is Rs. 36,600. The increase is due to the allotment required for 45 miles of additional length that will be added at the end of 1892-93 and at the increased mileage allotment for Chitaldroog-Benkipur road. The new roads for which maintenance allotments will be required are—

	Rs.
Koppa-Tirthahalli Road, 9 at 50	450
Talguppa-Mensagar Road, 11 at 50	550
Avinhalli-Karur Road, 11 at 50	550
Sulekere-Saslu Road, 12 at 50	600
	2,150

Portions of these roads are already opened to traffic and it is expected that they will be finally opened up by the end of the year. For maintenance of Chitaldroog—Benkipur road, the mileage allotment is increased from Rs. 60 to 100 and the total amount from Rs. 1,800 to Rs 3,000. This road, since the opening of the Railway, has been worked up by heavy traffic, rendering repairs by gravel insufficient. Portions of the road have to be metalled, but as no funds are available to once for all metal the surface, it is proposed to metal the surface gradually from the increased allotment. The continuation of the road in the Chitaldroog District has, I understand, a mileage allotment of Rs. 120. The decrease from Rs. 1,800 to Rs. 1,300 under "Shimoga-Yadehalli road" is due to the transfer of 5 miles to Kadur Division owing to the retransfer of certain villages to that District under Government Orders No. 267, dated 23rd September 1891. The rather large amount under "Reserve" is required for appropriations for incomplete works of 1892-93 and for reconstructing some of the old log tunnels in Nagar and Sorab Taluk roads.

7. Under "Repairs B." the amount is Rs. 40 less than that of the year 1892-93. Some new cart tracks have been included, as suggested by the members.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Local Boards Branch—Local Funds),—dated 3rd May 1893.

8. From the above, it will be seen that the Budget for 1893-94 includes only very necessary works, and though if the new works that have been proposed are allowed to lie over, yet the funds allotted for them are too small to effect the total estimate. They cannot however be delayed any longer. Other important works, principally the bridging of—(1) Anantapur-Tirthahalli road. (2) Honnali-Shikarpur road. (3) Anantapur-Kallurkatte road have had to be excluded from the Budget for want of funds. These roads have been opened for some years past and the members have been more than once strongly advocating their completion fully with bridges. The total Budget estimate thus unavoidably reduced amounts to Rs.1,27,282, and with the minus balance of Rs. 33,395 on 1st July 1893 against the estimate of receipts for 1893-94, the estimate of closing balance on 1st July 1894 will be Rs. 72,127, *i. e.* we will have by end of 1893-94 overspent the receipts by the large amount of Rs. 72,127. It is therefore necessary to solicit Government for an annual grant-in-aid of Rs. 35,000 to the Local Funds of the District for at least ten years more commencing from 1892-93, or to relieve the District Funds of the two road systems in Sagar and Channagiri by a special grant to the Provincial Budget share of the District. The Sagar Road systems will ultimately cost about five lakhs including the bridging of the Sharavati and the opening of a convenient ghat to the coast and the Channagiri system when fully worked out according to the programme laid down will fully cost one and half lakhs. The Local Funds of the District thus relieved, may conveniently look to an early completion of the roads already opened but left unbridged.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Local Boards Branch—Local Funds),—dated 3rd May 1893.

Charges on account of sanitation and conservancy of populous villages	..	4,000	0	0
Civil charges as per Enclosure D	..	10,942	0	0
Grand Total of estimated expenditure	.	1,27,282	0	0

Deducting the estimated expenditure of Rs. 1,27,282 from the total assets of Rs. 55,155, a probable minus balance of Rs. 72,127 will be left at the close of the year 1893-94.

Proposed by the Executive Engineer that the pay of the sweeper of the Ulavi Inspection Lodge paid in the proportion of $\frac{1}{3}$rd (Rs. 1—5—4) per mensem from Local Funds and $\frac{2}{3}$rd (Rs. 2—10—8) from the Imperial Funds, be entirely charged to the Local Funds.

Proposed by the Sagar Sub-Division Officer that the pay of the sweepers belonging to the Bungalows and Musafarkhanas noted below may be raised as follows :—

Sorab Bungalow sweeper from Rs 4 to 5 per mensem.
Kallurkatte Bungalow from 4 to 5 per mensem.
Benavalli Bungalow from Rs. 4 to 5 per mensem
Godekoppa Musafarkhana from 2 to 4.
Resolved that necessary provision be made in the Budget subject to the approval of Government.

A provision of Rs. 180—0—0 is made in the Budget for two midwives at Rs. 7½ per mensem being the moiety of their pay in addition to the 2 already sanctioned by Government in Proceedings No. 13383-5—L. F. 55-92, dated 3rd February 1893, as they are likely to pass this year, and have to be employed on their return.

Proposed by the Sagar Sub-Division Officer that a Local Fund Circle for the Sub-Division may be formed with its Head-quarters at Sagar.

The Executive Engineer seconded the proposition.

The Board thinks that it is very convenient that the Meetings of the Members residing in th Sub-Division should be held at its Head-quarters to consider the requirements of the three Taluk comprised thereof. There is now only a single Non-Official Member on the Board, who resides withi the Sub-Division. A few more Non-Official Members will have to be appointed and the necessary poin settled before a separate Circle is formed, especially the allotment of funds, with due consideration o the requirements not of the three Taluks in the Sub-Division, but also of the other five Taluks in th District comprising both Maidan and Malnad.

The question has to be fully considered if the Government are pleased to decide that a separat Circle for the Sub-Division should be formed.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Local Boards Branch—Local Funds),—dated 4th May 1893.

READ —

Letter from the Deputy Commissioner of the Mysore District, dated 13th April 1893, No. 1261 submitting the District Fund Budget Estimates of the French Rocks Circle for the year 1893-94 together with the Proceedings of the Local Fund Committee held at their Meeting of the 16th January 1893.

No. 18104-8—L. F. 202-92, DATED, BANGALORE, 4TH MAY 1893.

ORDER THEREON.—Government regret to notice that there has been a great avoidable delay in the submission of the Budget. It was due in this office by the end of January 1893 but it was not received till 17th April 1893 or till upwards of 2½ months after the due date. Moreover the Budget statements have not been correctly prepared: the details furnished in the enclosures B, D, F and H do not correspond with lump sum entries made in the consolidated Budget nor have the figures showing the sanctioned estimate for 1893-94 been correctly entered. The Deputy Commissioner is therefore requested to see that necessary steps are taken to ensure the correct preparation of the Budgets and their punctual submission in future, which are absolutely necessary for the proper management of the funds.

2. The estimated receipts for 1893-94 amount to Rs. 40,931 against Rs. 38,676 the actuals of 1891-92 and Rs. 40,673 the sanctioned estimate for 1892-93 as shown in the following statement:—

Items.	Items of Receipts.	Actuals of 1891-92	Estimate for 1892-93	Estimate for 1893-94.
I.	76 per cent of Local cess	36,792	38,655	38,963
II	Sale of Stray cattle	315	590	590
III	Fines for Cattle Trespass	1,348	1,016	138 1,016
	Fees for feeding charges of impounded cattle ...	...	142	...
IV.	Ferry collections	207	254	210
VI	Fees from Travellers' Bungalows	10	10	10
VII.	Private contributions	...	...	...
IX.	Miscellaneous	4	6	4
	Total.....	38,676	40,673	40,931

3. *I. 76 per cent of cess.*—The inclusion in the estimate for 1893-94 of a portion of the outstandings of the previous years expected to be collected during the year accounts for the increase in the estimate, which is passed.

4. *II. Sale of Stray cattle and III. Fines for Cattle Trespass.*—The estimates do not include the sum of Rs. 138 shown in the Deputy Commissioner's statement H as the probable amount of fees recoverable for feeding and watering impounded cattle and they will accordingly be raised from Rs. 1,606 to Rs. 1,744, as gross receipts have to be shown under these heads in accordance with Government Proceedings, dated 17th March 1892, No. 14603-11—L. 1509.

5. *IX. Miscellaneous.*—With reference to the very small estimate under this head, Government observe that as liberal provision has been proposed for the sanitation of rural parts, every endeavor should be made to see that sweepings in

large villages, the conservancy of which is undertaken at the cost of District Funds, and in market places as well as cattle pounds are accumulated and sold periodically by public auction in view to convert the same into a source of permanent income. Now that provision was made in the Budget for 1892-93 for the supply of Amrut Mahal Bulls, it is not clear why no estimate is entered on account of fees recoverable from raiyats for the user of the bulls for breeding purposes. The Deputy Commissioner is requested to state the amount that may be expected from each of the sources above referred to.

6. The opening balance in favor of the Circle is given as Rs. 24,153, but the correct amount will only be Rs. 22,866 as per particulars given in the concluding para of Government Proceedings, dated 18th April 1893, No. 17171-4—L. F. 202-92. The latter figure will be adopted in the Budget.

7. Adding the above balance to the estimated receipts 41,069 the sum available for expenditure during 1893-94 is Rs. 63,935, of which Rs. 56,379* are proposed to be expended leaving a balance at the end of the year of Rs. 7,556 which is less than 25 per cent of the receipts by Rs 2,712. The charges have therefore to be reduced.

†1.	Civil charges	8,879
2.	A. Public Works to be executed by D. P W.	44,700
3.	B. Do by Revenue Department	2,800
		56,379

8. The details of Civil charges given in the following statement exhibit an increase of Rs. 357 over the sanctioned estimate for 1892-93:—

Items.	Details.	Estimate for 1892-93.	Estimate for 1893-94.
I.	Office Establishment	240	240
II.	Medical Scholarships	235	235
III.	Hospitals and Dispensaries	3,225	3,312
IV.	Midwives...	...	120
V.	3rd Class Travellers' Bungalows and Musafarkhanas	348	348
VI.	Conservancy and Sanitary charges	2,960	3,200
VII.	Vaccination charges	265	265
X.	Miscellaneous	1,219	1,159
	Total.....	8,492	8,879

9. *I. Office Establishment.*—Including the provision of Rs. 100 made under "X. Miscellaneous" on account of the batta and travelling allowance to the Statistical Clerk, which should properly appear under this head, the estimate amounting to Rs. 340 does not include the contribution payable by the French Rocks Circle towards the cost of establishments maintained in the Dewan's and Comptroller's Offices. A sum of Rs. 151 will be entered on this account and the estimate raised to Rs. 491.

10. *II. Medical Scholarships.*—The charge debitable to the Mysore District during 1893-94 on account of scholarships to the students undergoing training for

the grade of Hospital Assistants is Rs. 521 under Government Proceedings, dated 24th December 1887, No. 5832-43—149, and the portion thereof payable by the French Rocks Circle is only Rs. 200 not Rs. 235 as erroneously entered in the Budget. The former figure will be adopted in the Budget.

11. *III. Hospitals and Dispensaries.*—The provision made which is in accordance with Government Proceedings, dated 18th April 1893, No. 17171-4—L.F. 202-92, is passed. Subject to the submission of details for the lump sum estimate of Rs. 585 entered to meet the cost of Her Highness the Maharani's Hospital at Mysore.

12. *IV. Midwives.*—The new provision made under this head to meet a moiety cost of the salary of a midwife proposed to be employed for Maddur, the other moiety being charged to the Municipal Funds of the town, is retained subject to the submission of a separate reference on the subject showing the necessity for the increased rate of salary of Rs. 20, the usual rate allowed to other midwives being only Rs. 15 per mensem.

13. *V. Sweepers, &c., for III. Class Travellers' Bungalows and Musafar-khanas.*—The estimate, which is in accordance with the scale sanctioned in Government Proceedings, dated 18th April 1893, No. 17171-4—L. F. 202-92 is passed.

14. *VI. Conservancy and Sanitary charges.*—The details of the provision under this head show that so much as Rs. 1,100 out of the total provision of Rs. 3,200 is intended to be spent at the Head-quarters of the Sub-Division without making any allotment whatever for the sanitation of rural parts of the Head-quarter Taluk, while a sum of Rs. 500 is provided for each of the remaining four Taluks. The necessity for the large expenditure proposed to be incurred at the Head-quarters of the Sub-Division in prejudice to the claims of the rural parts should be explained. Meanwhile the estimate will stand subject to an apportionment of the Rs. 1,100 between the French Rocks Town and the rural parts of the Taluk which the Deputy Commissioner may propose and the Government approve. Government observe that the District Funds should be spent to a much larger extent on the sanitation of rural parts than Municipal Towns, which contribute comparatively little to the District Fund revenues. It is noted that the correct total of the details furnished comes to Rs. 3,190 and not Rs. 3,200 as erroneously entered. The former figure will be adopted in the Budget.

15. *X. Miscellaneous.*—Excluding the sum of Rs. 100 transferred to "I. Establishments" the estimate amounting to Rs. 1,059 consisting of the marginally noted details does not include the feeding charges of the Amrut Mahal Bulls supplied to the Sub-Division or the expenditure required for the destruction of thickets and bushes which afford cover to snakes in or near villages. A sum of Rs. 1,000 will be entered for the latter purpose, but as regards the omission of any estimate under the former, it should be stated whether the bulls supplied have been made over to raiyats and fed by them.

(1) Repairs of cattle pounds	600
(2) Remuneration to pound-keepers	321
(3) Feeding charges of impounded cattle ...	138
	1,059

16. *Public Works to be executed by D. P. W.*—Owing to the insufficiency of funds, the marginally noted provisions made under this head are struck out. With reference to the reductions made under works, a corresponding reduction will be made in the provision for establishment charges which are 25 per cent of the allotment for works and the estimate reduced by Rs. 750.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Local Boards Branch—Local Funds),—dated 4th May 1893.

FRENCH ROCKS SUB-DIVISION.

Proceedings of the Local Fund Committee, French Rocks Circle, dated, French Rocks, 16th January 1893.

PRESENT.	ABSENT.
President.	*Ex-Officio Members.*
K. Muhammad Ali, Esq., Sub-Division Officer.	Mr. Krishnamurti Rao, Amildar of Krishnarajpete, on leave.
Ex-Officio Members.	Civil Surgeon, Mysore.
D. Sitarama Rao, Esq, Executive Engineer, French Rocks Division.	*Non-Official Members.*
Mr. Krishnaiengar, Amildar, Seringapatam.	Mr. Wahab Khan Durrani of Seringapatam.
,, Raju Mudaliar, Amildar, Mandya.	,, Raju Mudahar of Malvalli.
,, Ramaswamaiya, Amildar, Malvalli.	,, Rangaiengar of Krishnarajpete.
,, Khader Ali, Amildar, Nagamangala.	,, Paradesigauda of Nagamangala.
Non-Official Members.	,, Sitaramaiya of Malvalli.
Mr. Timmegauda of Seringapatam.	,, Ramanna of Mandya.

Mr. Wahab Khan Durrani, Mr. Raju Mudaliar and Mr. Paradesigauda having absented themselves for three meetings successively, the committee resolved that their names should be struck off the list and others should be elected as per Government Proceedings No. 2930-9—L. 402, dated 20th May 1892. Accordingly orders have been issued to the Amildars of the Taluks of the Sub-Division to propose the names of new members in their stead.

2. Read the Budget Estimates of Receipts and Expenditure of District Funds for 1893-94 and also the Budget Estimates of the previous year.

ESTIMATED RECEIPTS.

I.—One anna cess on Land Revenue (Statement A.)

3. The actual receipts of 1891-92, consisting of the arrears of previous year after deducting 24 per cent set apart for education is Rs. 36,792—2—8, and the estimated receipts of 1892-93 is Rs. 38,652 and of 1893-94 is Rs. 38,963. Comparing the estimates of 1893-94 with the actuals of 1891-92, it will be seen that there is a small increase of Rs. 170—13—4, and with the estimate of 1892-93, the increase is Rs. 308. This small increase does not call for any special explanation.

II.—Sale of stray cattle and fines for cattle trespass and feeding charges of impounded cattle.

4. Actual receipts under the items of sale and fine for the year 1891-92 are Rs. 1,662—7—2 and the estimate for 1892-93 is Rs. 1,606 and for 1893-94 is Rs. 1,606. Comparing the estimate of 1893-94 with the actuals of 1891-92, it will be observed that there is a decrease of Rs. 56—7—2 and it is equal to the estimate of 1892-93.

Fees collected on account of feeding charges of impounded cattle were not included in the Budget estimate in the previous years, but under the Government Proceedings No. 14603-11—L. 1059, dated 17th March 1892, they have been included in the Budget for 1893-94, the amount being Rs. 138.

III.—Ferry Collection.

5. The actual receipts of 1891-92 is Rs. 206—15—0 and the estimate of 1892-93 is Rs. 254, and of 1893-94 is Rs. 210. Comparing the estimate of 1893-94 with the actuals of 1891-92, there is a very small increase of Rs. 3—1—0.

IV.—Fees from the 3rd Class Travellers' Bungalows.

6. Rs. 10 have been collected during the year 1891-92 and the estimate of 1892-93 is Rs. 10 and of 1893-94 is the same.

7. The total estimate of receipts under all heads for the year 1893-94 are Rs. 40,931 and the opening balance on 1st July 1893 at the credit of the Board is Rs. 24,152—10—3¾. The total amount at the disposal of the Board for 1893-94 is Rs. 65,083—10—3¾.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Local Boards Branch—Local Funds),—dated 4th May 1893.

PROPOSED EXPENDITURE.

Public Works (Statements B and C.)

8. The committee resolved that Rs. 4[illegible],500 should be spent on Public Works ; of this sum Rs.2,800 should be spent by Revenue authorities in sinking new wells and in repairing the Musafard khana at Hanakere, Nagamangla Taluk, and in improving the well near the said Musafarkhana.

9. The Executive Engineer of the French Rocks Division, in placing for the approval of the committee an estimate amounting to Rs. 51,450, recommended that the rates for repairing the Mandya Bannur road and Serugapatam, Sosile-Sivasamudram road should be raised from Rs. 50 to 60 per mile and of Mysore-Mahadevapura road from Rs. 40 to 60, as they are in a very bad condition and require special repairs in most parts. The committee agreed to do so and raised the estimate to Rs 55,831 and passed it.

Civil charges (Statement D.)

10. The estimate sanctioned under this head for 1892-93 is Rs. 7,903 and the proposed estimate for 1893-94 is Rs. 8,879. The increase is Rs. 1,786. The charges under several items of this head have been altered, some remain as before, and while others have been added as shown below :—

(1). Amount sanctioned under the item of Hospital and Dispensaries for 1892-93 is Rs. 2,559, but the proposed estimate for 1893-94 is Rs. 3,312. It will be seen that there is an increase of Rs. 753, as the Municipalities of Mandya, Nagamangala and French Rocks being too poor to bear the usual charge of one-third of the cost of the Dispensaries of these places, the whole cost is to be defrayed from District Funds as per Government Proceedings No. 12014—L. F. 1171, dated 24th January 1892, and the entire cost of maintaining the Dispensary at Maddur also to be defrayed from District Funds.

(2). The estimate sanctioned under the item Sweeper's pay for the Third Class Travellers' Bungalows, Musafarkhanas, &c., for the year 1892-93 is Rs. 468, and the proposed estimate for 1893-94 is Rs. 348. The decrease is Rs. 120. The Travellers' Bungalow at French Rocks being set apart as for the Sub-Division Officer's quarters, the pay of the sweeper, Rs. 60 per annum, has been struck off the Budget. The Dispensary at Maddur being proposed to be located in the old Taluk Cutcherry there, in which is also located the Police Station, there is no necessity of watchman. His pay, Rs. 60, is therefore struck off the Budget.

(3) Provision of Rs. 120 has been made for midwife entertained as per Deputy Commissioner's, docket No. 986, dated 31st March 1892. One-half of her pay is to be debited to District Funds and the other half to Municipal Funds. The Deputy Commissioner observed in his Memo No. 322, dated 29th October 1892, that the pay of midwife is fixed at Rs 15 and not Rs. 20. The Senior Surgeon in his docket No 3276 of 25th October 1892 stated that the midwife was appointed on a monthly salary of Rs. 20 under the order of Government conveyed in their Proceedings No. 14115-24—Cir. 300, dated 18th March 1891. The Deputy Commissioner is addressed on the subject ; final orders have not as yet been received.

(4). Provision of Rs. 3,200 is made for Conservancy and Sanitation in rural parts of the Taluks of the Sub-Division. The villages and localities where such measures are necessary will be decided upon after inspection and detail estimates will follow.

(5). Provision of Rs. 1,059 is made under the item of Cattle-pounds, *i. e.*, repairs of pounds, feeding charges of impounded cattle and remuneration for pound-keepers, as laid down in Government Proceedings No. 14603-11—L. 1059, dated 17th March 1892. The gross receipts are credited to District Funds.

(6). Under the item Miscellaneous expenditure, the estimate is raised from Rs. 50 to 100, as the actual expenditure under this head for 1891-92 is Rs 73—7—3

(7). Other items do not call for any remarks.

11. The amount at the disposal of the Board, as stated in para 7 of this report, is Rs. 65,083—10—3¾, and the estimated expenditure under all heads amounts to Rs. 56,379. The probable balance at the end of the year 1893-94 will be Rs. 8,704—10—0¾.

Dockets, dated 1st March and 5th April 1893, Nos. 453 and 517, from the Deputy Commissioner of the Kadur District, requesting orders, with reference to Para 34 of the Kadur District Fund Boards Proceedings, dated 9th February 1893, as to whether the next meeting of the Local Fund Board might be held at Kadur, and soliciting a grant of Rs. 10,000 for important well works in the District.

No. 18754—L. F. 334-92, DATED, BANGALORE, 12TH MAY 1893.

ORDER THEREON.—Section IX of the Rules of 1874, regulating the conduct of District Fund Committee meetings empowers the President of the District Fund Committee to convene a meeting on or about the 1st October of each year at a place named by him. There is nothing to show in the subsequent sections that as regards the other less important meetings, it was intended to take away this discretion of the Deputy Commissioner. Government of course expect the President to exercise this discretion consistently with the convenience of the majority of the members of the Board.

2. The question of a grant from Local Funds General for well works will be decided when dealing with the allotments to be made from these funds for the various Districts for the year 1893-94.

READ :—

Letter from the Senior Surgeon, dated 25th April 1893, No. 4668.

I have the honor to forward herewith copy of docket No. R. 2579, dated 24th February 1893, from the Deputy Commissioner, Bangalore District, enclosing extract from para 31 of the Municipal Annual Report to Government for 1891-92 for my information and communication to all Hospital Assistants. I also forward for information of Government a statement showing the total number and average daily number treated in the Local Fund Dispensaries of the Bangalore District for the five years 1888 to 1892 inclusive.

2. The Deputy Commissioner considers the average cost per head treated, *viz.*, 2 annas 4 pies, as rather high "considering that the vast majority of cases treated are only trifling ailments". This is probably an assumption on his part as I am not aware that he sees the monthly returns showing the diseases for which persons were treated, and even if he were to see the returns he would know nothing of the treatment adopted nor of the medicines used nor whether the medicines were unnecessarily expensive or otherwise.

3. Possibly the Deputy Commissioner does not know what the different items are which go to make up the cost referred to. I give them in the margin, and I think the Government will agree with me that the cost per head is very moderate.

Pay and charge allowance of Hospital Assistants.
Pay of menial servants.
Europe medicines.
Bazaar do
Hospital necessaries.
Stationery.

4. The grade of the Hospital Assistant whether 1st, 2nd or 3rd influences the cost, and some Hospital Assistants prescribe more expensive drugs than others, but as long as I have reason to believe from personal inspection or examination of their monthly returns stock books and indents that things are done *bonâ fide* and there is no extravagance or waste, I am loth to interfere with their liberty of action in this respect, as to do otherwise and pursue a system of false economy would be pretty certain to defeat the wishes of Government in establishing these charitable institutions and diminish their usefulness.

5. The Deputy Commissioner considers the majority of these institutions unpopular. I disagree with him if he means that it is entirely the fault of the Hospital Assistants or of the Medical management. If on the other hand he means that it would be desirable that they should be more largely attended and that increased attendance would be beneficial to the people, I agree with him but he must or ought to know that the prejudices of the people and their appreciation or otherwise of English medicines and English treatment have to be reckoned with both in healthy and unhealthy localities.

6. The popularity as applied to these dispensaries should not be made synonymous with what he considers short attendance, as it will take time, more especially in the case of illiterate persons living at, perhaps, considerable distances before they all discard the domestic remedies which they have been accustomed to from time immemorial and resort freely to these institutions for English treatment.

7. I think from the statement enclosed that Government will agree with me that these dispensaries are doing good work. Of course some Hospital Assistants are more efficient and more popular than others as in the case with all classes of officials ; but on the whole I think they are popular and possess the confidence of the people.

8. The Deputy Commissioner in his Docket above referred to practically directs me to communicate his remarks to all the Hospital Assistants and in his report to Government, para 31, states "I shall communicate these remarks to all the Hospital Assistants." I decline to communicate these remarks in the absence of an order of Government to do so, as, (*a*) I am unable to agree with them for the reasons above stated,

(*b*) he arrogates for himself an authority over medical matters which he does not possess, and

(*c*) endorsing such action would be liable to tend to indiscipline and want of due recognition of authority as constituted by Government in the case of my subordinates.

9. Finally I would add that I shall be only too pleased to give assistance to or receive it from this Office if he will only do business like all other Deputy Commissioners, but when he attempts to set at naught my position as head of the Medical department I feel bound to place the matter before Government.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Local Boards Branch—Local Funds),—dated 20th May 1893.

No. 19624-34—L. F. 427-92, DATED, BANGALORE, 20TH MAY 1893.

ORDER THEREON.—In the letter read above, the Senior Surgeon takes exception to the procedure adopted by the Deputy Commissioner of Bangalore in asking him to communicate his remarks to the Hospital Assistants in regard to the Local Fund Dispensaries in the District.

2. The Deputy Commissioner, as the President of the Local Fund Board, has right to make such remarks as he thinks proper, but they should be sent to the Senior Surgeon for remarks or such notice and action as he may think proper, and not for communication to the Hospital Assistants whether he agrees with the remarks or not.

3. Deputy Commissioners are therefore requested to send their observations in future to the Senior Surgeon, simply with a request that he will take notice of them or favor them with his remarks. The Senior Surgeon will no doubt give every consideration to the remarks and suggestions of the Deputy Commissioners, but if he does not, it is open to them to bring the matter to the notice of Government.

4. In the case under notice, the Senior Surgeon has not examined the details of expenditure and satisfied himself that the cost was unavoidable or not. He is now requested to do so. But on the face of it, Re. 0—2—4 does not appear to be too heavy a cost per head.

Docket from the Deputy Commissioner of the Kadur District, dated 21st December 1892, No. 307, enquiring whether the sums spent from Local Funds General should be shown in the District Fund accounts.

No. 19635-44—L. F. 428-92, DATED, BANGALORE, 20TH MAY 1893.

ORDER THEREON.—Government observe that expenditure incurred on works from special grants made from Local Funds General ought not to be included in the monthly District Fund accounts but should be accounted for separately. The Deputy Commissioners of Districts are accordingly requested to submit in the accompanying form, monthly, a statement showing expenditure incurred from Local Funds General. It should reach this Office not later than 20th of the month following that to which it relates.

2. An annual statement showing the authority for each work, the amount sanctioned and expenditure incurred should also be submitted along with the District Fund Report for each year.

Proceedings of the Government of His Highness the Maharaja of Mysore, (General),—dated 13th May 1893.

No. 18946—G. F. 349-92, DATED, CAMP OOTACAMUND, 13TH MAY 1893.

ORDER.—By Proceedings of Government, Camp No. 450-60, dated 1st November 1891, certain Assistant Commissioners transferred to the Police were given three years' time to pass the Departmental tests prescribed for Assistant Commissioners. Two of these (Mr. J. W. Knight and Mr. H. Ramanujaiengar) have since been declared to have completed their tests—*Vide* Proceedings of 18th March and 19th April last. There remain eight others who have still to pass some of the tests prescribed. It has been submitted for the consideration of the Government that it is hard to require these and other purely Executive Officers, who are never expected to become Judges and who have to attend to responsible duties which leave little time for preparing for an Examination, to pass the Civil Examination embracing many subjects of a purely technical nature, an acquaintance with which can be necessary only for the trial of Civil Suits. There is some force in this argument, though the Government still hold the opinion that an acquaintance with the general principles of contracts, Inheritance, Torts and connected subjects is most essential for every Executive Officer.

2. Under such circumstances, and after giving both sides of the question their best consideration, the Government resolve that those officers who are already Assistant Commissioners (but not those that have to qualify themselves for appointment hereafter as Assistant Commissioners) need not be required to pass in subjects involving technical detail, namely, Transfer of Property, Specific Relief, Civil Procedure and Limitation.

3. In order to give proper effect to this resolution and at the same time to allow of a certain number of the present Assistant Commissioners qualifying themselves specially for the Judicial service, the Government direct the modification of the "Rules relating to the Mysore Local Service Examination" as per the subjoined Notification which will be published forthwith for general information.

ORDER THEREON.—In view to obviate inconvenience arising from Treasure carts under Military escort being subjected to long marches by road, Government are pleased to direct that—

(i) The Treasury Officer shall, in consultation with the Military Officer in charge of the remittance, fix the route and the stages by which the journey shall be accomplished.

(ii) The distance to be covered every day by carts and escort travelling by road shall be fixed so as not to exceed fifteen miles.

And (iii) a Memo showing the stages at which halts should be made, and the distance between each stage shall be furnished by the Treasury Officer to the Military Guard escorting the Treasure.

2. If the distance travelled by road exceeds fifteen miles under unavoidable circumstances, one cart for every 8 men or under composing the Military escort may be allowed. The charge on this account will be debited to the Military Budget on bills sent through the Military Secretary to be audited by the Comptroller. The Memo given by the Treasury Officer should always accompany the bills, and if the stages therein mentioned are not adhered to, the Military Secretary should enquire into the cause, and state whether the marches actually made were necessary or not, and the Comptroller will be guided by his certificate in passing the bill.

Do No. 2605-35—510-40, dated 7th June 1888.

2. As regards para 2, I am of opinion that tenants of Government Buildings should not be allowed to cultivate the compounds of such buildings either for their own profit or that of Government (without permission). They might be permitted to make gardens or do any work in the way of planting ornamental trees, &c., but at their own expense.

No. 19679—G. 4816, DATED, BANGALORE, 19TH MAY 1893.

ORDER THEREON.—The permission asked for in the first of the letters above read has been granted. The Chief Engineer's remarks contained in the letter above read have the approval of Government. They will be communicated to Officers occupying Government Bungalows for rent.

Government Proceedings No. 12509-10—G. F. 353-92, dated 19th January 1893, remarking upon and calling for further information relating to the defalcation discovered at the Kolar Taluk Treasury on 12th October last.

Deputy Commissioner's letter No. 2444—575, dated 9th February 1893, submitting a further report on the same subject and the records of departmental and Magisterial inquiries received with the Deputy Commissioner's docket No. 2647, dated 1st March 1893.

No. 19512-20—G. F. 353-92, DATED, BANGALORE, 20TH MAY 1893.

ORDER THEREON.—The deficit discovered at the sudden examination of the Taluk Treasury, held under the Deputy Commissioner's order, on 12th October last, amounted to Rs. 1,242—15—1, *viz.*, Rs. 837—15—0 in the Treasure, which was in the joint custody of Shroff Subbanna and Taluk Sheristadar Kesavaiengar, and Rs. 405—0—1 in the Treasure, which was in the exclusive custody of Shroff Subbanna.

2. The deficiency has been fully made good from the securities of the Sheristadar and the Shroff, *viz.*, Rs. 742—15—1 from the former and Rs. 500 from the latter.

3. The Sheristadar and the Shroff were prosecuted before the Special Magistrate, Mr. G. Hume Wright. The trial ended in the discharge of the former and in the conviction of the latter, who has been sentenced to one year's rigorous imprisonment. The conviction and sentence have been upheld by the Chief Court.

4. In his Judgment the Magistrate remarks "the prosecution has been very loosely put forward and a great want of care and definiteness in stating the case which is most important in an enquiry of this sort." A close examination of the records of the departmental enquiry and the trial show that this complaint is justified and that with better prosecution probably the Sheristadar would also have been convicted and the charge of tampering with some of the accounts brought home to the authors of such fraud. It is to be regretted that the Deputy Commissioner did not depute an official well acquainted with Treasury procedure and accounts to give the necessary instructions to the officer who conducted the prosecution.

5. The Government quite concur with the Deputy Commissioner in the opinion that the defalcation could not have occurred without the knowledge, if not, the complicity and connivance, of the Sheristadar, particularly as a great part of it is in the Treasure which was in the joint custody of the Sheristadar and the Shroff. The facts, that the box containing this Treasure though called a Double-lock Box has always had but one lock, and that this box was, for about two months, outside the Treasure room while the Treasury was under repair, and therefore accessible, exclusively to the Sheristadar, throw additional suspicion on the Sheristadar's conduct, though, curiously enough, this was not brought to the Magistrate's notice at the trial. Moreover, the Sheristadar admits that, in the case of all Treasure, whether in joint custody or in the Shroff's exclusive custody, he accepted the Shroff's statement as to its amount without personally verifying it. For precisely similar negligence which facilitated an embezzlement in another Taluk Treasury in 1885, Kesavaiengar was suspended for six months. Under such circumstances, the Government direct that he be dismissed with effect from the 12th October last on which date he was suspended.

6. The Shroff will, of course, be also dismissed.

7. It was irregular that the large cash chest which is intended to contain the bulk of the Treasure had but one lock, the key of it being kept by the Sheristadar, while, under standing orders, it should have had two locks, the key of one lock

being kept by the Taluk Sheristadar or Amildar, and the key of the other lock by the Shroff. It is surprising that this irregularity was unnoticed by experienced officers like the permanent Amildar Hema Hanumantaiya and the Deputy Commissioner; all the more so that a similar irregularity was pointed out in the Proceedings of 1885 in the case of another Taluk in the same District. The defect should be remedied at once.

8. The manner in which Amildar Hema Hanumantaiya and acting Amildar Krishne Urs have, according to their evidence before the Magistrate, been in the habit of verifying the Cash Balances at the Taluk Treasury, is extremely objectionable. It can never be sufficient to pick out a bag and take out a handful of its contents and get the Shroff by weighing the remainder, to say how much there was in the handful. A Shroff who has embezzled money from a bag and knows how much he has taken can of course say how much there is in the handful. Treasure at a Taluk Treasury is never great and no examination of a Taluk Treasury can be adequate unless every bag is emptied of its contents and the contents of at least half the number of bags are fully verified.

9. The acting Amildar Krishne Urs has already been censured for not having examined the Treasury oftener than but once in the five months during which he was in charge of the Taluk. The Government are unable to exonerate the Deputy Commissioner and the Treasury Officer from the blame which attaches to them for not having noticed this dereliction of duty on the part of the acting Amildar, and with reference to what the Deputy Commissioner urges on this point, it is only sufficient to point out that a Deputy Commissioner is bound under Article 336 of the Civil Account Code to sign the Monthly Accounts and Cash Balance Report, at least once in two months, and that the officer signing the report of Cash Balances in District and Taluk Treasuries, is required to certify that in the case of the latter, the amount is certified to by the Amildars; so that before signing such a certificate, he is expected to compare the entries therein made, with the certificates of Taluk Cash Balances furnished to him, and, in any case in which the Taluk certificate is not signed by the Amildar, it is the Deputy Commissioner's duty to ascertain **when** the Amildar had last furnished a certificate himself and to check the Amildar at once if he had not examined the Treasury for a whole month before.

10. Of the deficiency noted on 12th October, Rs. 40—0—1 are stated, by the Deputy Commissioner, to be under "unexpended balance of advances not shown in the Nagadiyat accounts;" and the Deputy Commissioner reports the subsequent discovery of a deficiency of Rs. 58 being "part of the amount of certain Municipal cheques remaining unaccounted for," and which also the Sheristadar has made good. It is not clear, under what circumstances, these moneys remained out of the Treasury Accounts without being included in the daily Treasury Cash Balance noted up in the Daily Chittahs. The standing order is, that no money should be kept out of the Treasury Accounts. The Deputy Commissioner will investigate this thoroughly and take effective steps for the prevention of such irregularity in the future.

11. The papers show that both the Gollars belonging to the Taluk Treasury Establishment are employed elsewhere, and that it was the Mashalchi who was performing a Gollar's duties at the Treasury. This is irregular. Gollars are invariably a better and more respectable class of servants than Mashalchies and they, and not the latter, should ever handle money.

No. 20624-31—G. F. 17-92, DATED, BANGALORE, 31ST MAY 1893.

ORDER THEREON.—Annexed is an abstract of the Returns received with the above.

2. The appointment in the Bangalore Taluk calls for remark, and requires an explanation from the Deputy Commissioner, as an English School teacher aged 28 who presumably has had no Revenue experience, is appointed to the post of Head Gumasta, which requires thorough familiarity with Revenue accounts and Procedure, and the only qualification noted against his name is a pass in the Matriculation Examination. The Deputy Commissioner should also explain how the post of Head Gumasta became vacant. This explanation has not been furnished though a column is distinctly provided therefor.

3. The Tumkur District Return continues to be ill-prepared. The qualifications of 2 Officials are again entered as "Nil" though it can hardly be that these two men are absolutely devoid of all qualification for the posts to which they have been appointed. The Taluk to which one of these men (Syed Mustafa) has been appointed, is not mentioned.

4. The other Returns call for no remark.

PART I.

DECISIONS OF GOVERNMENT IN REVENUE CASES.

MAY 1893.

Appeal No. 29 of 1892-93.

Appellant.	*Vs.*	*Respondent.*
Amritegauda, (since deceased), of Bidare village, Chikmagalur Taluk.		Ramegauda *alias* Shankaregauda, by Mr. S. Ramaswami Iyer.

The Appellant claimed the office of Patel of Bidare in the Chikmagalur Taluk. He was a son-in-law of Heggadegauda (whose widow Lingamma was the last holder of the office, having succeeded to it on the death of her minor son) and a cousin (maternal aunt's son) of Lingamma. The Deputy Commissioner considered that Appellant had no legal claim to the office and conferred it on the Respondent.

2. The Appellant is reported to be dead. One Chikkegauda, a cousin of deceased Appellant, presented a Petition claiming the office in question.

3. Heggadegauda, the original hakdar, died leaving him surviving, two daughters and a son who are also dead, leaving no issue. It is thus apparent that Heggadegauda's line is completely extinct. The Respondent in whose favor the Deputy Commissioner has confirmed the office appears to be a divided cousin of Heggadegauda and as such has a preferential claim to the office, and the Government see no good reason to interfere with the order passed by the Deputy Commissioner.

No. 18472—P. F. 287-92, DATED 5TH MAY 1893.

Communicated to the Deputy Commissioner, Kadur District.

Petition No. 1133 of 1890.

Appellant.	*Vs.*	*Respondent.*
Jangamkote Srinivasa Rao of Sidlaghatta.		1. Gundappa. 2. Subba Rao. 3. Mahadeva Rao.

The Shanbhog, Gumasta of Bhadrankere, Jangamkote and other villages, named Hanumantarayappa, having misappropriated Government money and absconded, the Deputy Commissioner ordered that the amount embezzled, Rs. 797—11—1, be recovered from the hakdar Shanbhogs. The Amildar issued a notice in that behalf to Petitioner Srinivasa Rao, as the hakdar Shanbhog of the said villages, whereupon he made application, praying for permission to pay the amount by annual instalments of Rs. 100 each and complaining of Bhadrankere having been amalgamated with the village of Hospete at the Survey Settlement. The Deputy Commissioner stated that the dispute concerning the amalgamation of Bhadrankere had no reference to the case of embezzlement, and that, if Petitioner paid at once half the amount referred to, one year's time would be allowed for payment of the other half. Petitioner has appealed against that order.

2. The 1st Counter-Petitioner Gundappa urges that he has two out of three shares in the office of Shanbhog of Bhadrankere, that the Petitioner has no right to the said office, that the Survey Department merely restored Bhadrankere to the position which it formerly held, by amalgamating it with Hospete, a neighbouring

village appertaining to his hak, and that he, in preference to the Petitioner, should be allowed to pay the portion of the embezzled amount chargeable to Bhadrankere.

3. The 2nd Counter-Petitioner Subba Rao states that he is also a sharer in the Shanbhogi of Bhadrankere and that at the Survey Settlement Bhadrankere was added to Hospete at the request of himself and other sharers. He prays that such arrangement may be made as will respect the rights of all the sharers.

4. The 3rd Counter-Petitioner Mahadeva Rao states that the office in question belongs to his hak and that the other parties have no right to it. He urges, like the Petitioner, that the amalgamation of Bhadrankere with Hospete was wrong.

5. From the petitions addressed by the parties and the representations made by them at the hearing, there appear to be three branches of sharers, *viz.*, Hettakki, Jangamkote and Cusba or Appaji, divided from each other, and enjoying different shares, each in some of the villages which originally belonged to the family. The 1st and 2nd Counter-Petitioners who belonged to the Hettakki branch claim 2 shares in the Shanbhogi of Bhadrankere, the Petitioner who belongs to Jangamkote branch claims a share therein. Similarly as regards the office of Jangamkote village, one share is said to belong to each of the three branches above named.

6. To ascertain which of the rival hakdars should pay the amount embezzled and in what proportions, it is necessary to investigate into and adjudicate on, the claims set up. There appears to be no difficulty in recovering the amount, the parties being ready to pay when the share due by each is determined.

7. The Deputy Commissioner is therefore requested to summon before him the several sharers to the office, and after enquiry, to record the share of the hak which belongs to each branch in each village and to decide the manner in which the various branches should enjoy the office as regards every village included in the entire group. After this decision, the Deputy Commissioner should proceed to apportion among the hakdars of the various villages, the revenue of which was embezzled by Hanumantarayappa, the amount which each has to pay towards making good the embezzled amount. The Deputy Commissioner may, if need be, apply for the instructions of Government on any of the questions above referred to, submitting a full report of the facts elicited.

8. The petitions received from both parties will be forwarded to the Deputy Commissioner.

Communicated to the Deputy Commissioner, Kolar District.

Petition No. 1375 of 1892-93.

Appellant .. **Puttanarasimhabhatta of Nelamangala, Bangalore District.**

Petitioner's appeal was once dismissed, he having failed to attend on the date fixed for hearing. On his application, 4th May was again fixed for hearing, but on this date also, he failed to appear. His appeal is, therefore, finally dismissed.

No. 19032—Pet. F. 17-92, DATED 6TH MAY 1893.

Communicated to the Deputy Commissioner, Bangalore District.

Appeal No. 153 of 1891-92.

Appellant.	*Vs.*	*Respondent.*
Seshanna of Somahalli, Gundlupet Taluk, Mysore District.		Puttamada and others—Potters.

Appellant had 13 K. 6¼ P. of land (about 8 acres) assessed at Rs. 4—1—10 under his khata, but during the Survey and Settlement in 1890-91, a portion of it (the exact area is not known) was treated as kharab and included in Survey No. 150, and the remainder was confirmed to the Appellant as Survey No. 151 (acres 2—19). The reason assigned for treating a portion of the land as kharab was that it contained Date trees and it was partly used by Respondents who are pot-makers of the village for taking earth from it.

2. The Government consider that the reason given for treating a portion of Appellant's Patta land as kharab is not sufficient. It is true that the Respondents did take earth from the land and that too against the consent of the Pattadar, as proved by the Amildar's order, dated 27th April 1864, but it is entirely a question between the Respondents and the Pattadar to be settled amicably or by Civil Courts, and not a ground for excluding the land from the Appellant's Patta. The existance of Date trees is not also a sufficient ground for treating the land as kharab. The Superintendent of Revenue Settlement will, therefore, be requested to include the land treated as kharab in the Patta of the Appellant subject to proper assessment. If any portion of the land is required by Government for communal purposes, it must be acquired under the Land Acquisition Act.

No. 19034-5—Pet. F. 289-92, dated 6th May 1893.

Communicated to the Deputy Commissioner, Mysore District and to the Superintendent, Mysore Revenue Survey.

Read:—

Correspondence ending with letter No. 916, dated 14th April 1893, from the Inspector General of Registration in Mysore, stating that the interference of the District Registrar with the discretion of the *Ex-officio* Sub-Registrars in the matter of employing Gumastas is unwarranted, as was in the case of Kappaiya, late Registration Gumasta, Closepet Taluk, who was dismissed by the District Registrar, Bangalore, although found competent by the Sub-Registrar.

No. 18747—Pet. 1418, dated, Bangalore, 10th May 1893.

Order thereon.—Government cannot fully accept the Inspector General's theory as to the discretion of the Sub-Registrar. The District Registrar must have power to prohibit the employment of or direct the dismissal of a particular individual for specified reasons. Subject to this vetoing power in the District Registrar to be exercised for extraordinary reasons, the Sub-Registrar may be left to make any appointment he likes. In order to ascertain whether the District Registrar, Bangalore, has rightly dismissed Kappaiya, the Inspector General should have complied with the request made, in this office No. 1349-4—Pet. 1014-92, dated 10th February 1893, to examine the dismissed man (Kappaiya) himself. This should now be done, and in accordance with the Inspector General's opinion of his qualification *after such examination*, he should either be restored or not.

To—The Inspector General of Registration in Mysore.

Cases referred by the Deputy Commissioner, Mysore District with his letter No. 789 of 26th November 1892.

Appellants.	*Vs.*	*Respondent.*
1. Subramhannia of Hedatalu. 2. Basavi, mother and guardian of Mada (minor) of Devanur, Nanjangud Taluk, Mysore District.		Basavegauda, represented by Mr. Advocate Narayan Rao.

This is a case referred by the Deputy Commissioner for orders.

2. The 2nd Appellant who was a khatedar, fell into arrear of revenue, and a piece of her land (No. 417, 0 K. 13 K. 14½ M. assessed at Rs. 24—13—11) was attached and sold in April 1891, and the Respondent Basavegauda purchased it for Rs. 30. The sale was confirmed by the Deputy Commissioner on 4th August 1891 and a certificate granted to the purchaser. Three months afterwards, *i. e.*, on 10th November 1891 the 1st Appellant complained to the Deputy Commissioner that he had purchased the land sold by auction from the 2nd Appellant and that the sale for arrears of revenue was effected without any notice to him notwithstanding that he had paid the assessment of the land through the khatedar. The Deputy Commissioner enquired into the matter of the complaint and considering that the sale was tainted with fraud, recommends that it may be cancelled.

3. Notice was given to the Respondent and he was present at the hearing of the case.

4. The circumstances which throw, or are supposed to throw suspicion upon the *bonâ fide* character of the sale are as follows:—

First. The attachment list has an entry that the land contains some useless cocoanut plants and does not state that it contains any valuable trees, though, as a matter of fact, according to the statement of the Shanbhog it contains:—

50	cocoanut trees	bearing,
150	do	likely to bear in 2 or 3 years,
200	do	do in 4 or 5 years.

The Respondent says that, excepting 50 trees which were in bearing, all the rest were young plants and that he has, since the purchase, planted more trees and improved the land at a cost of Rs. 500. No evidence was taken on the latter point. The Respondent also states that even the trees in bearing are not good trees and there is no demand for such gardens in the locality. He mentions a case in which a similar garden was bought in by Government for want of bidders.

Secondly. The land was sold before the Shekdar on 20th April 1891, but the sale was not closed on that date. The parties present were told that it would be sold again before the Amildar on the 25th April, and it was accordingly re-sold on that date. The highest bidder in both the sales being the Respondent, the sale was concluded in his favor for Rs. 30. This circumstance is mentioned not to show that there was any fraud in the matter, but to show that the 2nd sale before the Amildar was an irregularity. This irregularity was known when the sale was confirmed, but no notice of it was taken, as nobody complained about it and it did not affect the interests of any one.

Thirdly. The land was not declared as forfeited to Government before it was sold.

Fourthly. The khatedar alleges that she has paid the assessment, but the statement is not proved.

Fifthly. The sale before the Shekdar was begun at 9 A. M., and closed at 12 noon, whereas, in the notice of sale, 11 A. M., to 5 P. M., were put down as the hours of sale.

Sixthly. The property was attached for the whole arrear due, before *all* the instalments fell due.

5. The Government consider that though the irregularities noticed above are such as might induce the confirming officer to withhold his confirmation, they are not such as would justify the cancellation of the sale at this distance of time at the instance of a third party whose name is not registered in the revenue accounts and who slept over his rights, if he had any. The only point that throws suspicion on the *bonâ fide* character of the sale is the non-specification of the cocoanut trees on the land in the sale Proclamation or the attachment list, but there is nothing in the rules which makes such specification obligatory, and the villagers present must have known that the land contained trees. Considering that most of the trees are only plants requiring much capital to mature them, the price of Rs. 30 the land fetched, cannot also be said to be too low in an out of the way locality like the one under notice. Even if it were too low, it cannot be used as a ground for cancelling the sale so long after it has been confirmed. The Government therefore decline to sanction its cancelment.

Appellant.	*Vs.*	*Respondent.*
Tirumalamma of Kanagondanhalli, Nelamangala Taluk, Bangalore District.		Bylappa represented by Mr. Narayan Rao, Advocate.

Appellant's husband and his brother who were archaks of Ramadevaru temple in the village of Kamagondanhalli in the Taluk of Nelamangala, mortgaged the Inam land belonging to the Pagoda and barrowed on it 36 and odd Pagodas from the grand-father of the Respondent in 1846. The condition of the mortgage was that the proceeds of the land should be taken in lieu of the interest. The mortgage deed is on stamp paper. Subsequent to the mortgage, the parties entered into a private arrangement by which the Appellant enjoys one-third of the Inam, the remaining two-thirds being enjoyed by the Respondent. The Inam Commissioner confirmed the whole Inam in the name of the Pagoda, with remark that its alienation was invalid. The Pagoda is still maintained and in good condition. The Respondent is willing to restore the land to the Pagoda, if his money is paid back, but Appellant is unable and unwilling to pay the money, but wants the Inam to be restored to her.

2. The Amildar estimates the income of the land at Rs. 30 a year, and as, at this rate, the Respondent has been amply repaid, the Muzarayi Officer recommends the restoration of the Inam to the temple and the appointment of the Patel as the manager of the Institution.

3. The Government do not see how the Respondent can be dispossessed of the land. The case is one that falls under the rules of 1877 sanctioned by the Government of India, (*vide* pages 88 and 89 of the Revenue Manual) and the papers will, therefore, be forwarded to the Inam Commissioner, with a request that he will enfranchise that portion of the Inam which is now in the possession of the Respondent on half assessment making the quit-rent now imposed on it payable to the Pagoda. The Muzarayi Officer will determine to whom the quit-rent should be paid to be spent for temple purposes. Under no circumstances, Appellant should be allowed to receive the quit-rent on behalf of the Pagoda. The portion now enjoyed by the Appellant may continue to be enjoyed by her so long as she does the service required of her. It is not known whether the temple has any other allowances from the Muzarayi Funds. If it has, the Muzarayi Superintendent may

consider whether it would not be advisable to pay the Respondent the money due to him, from those allowances, and take up the whole Inam for the Pagoda.

One Mamakka who had an enfranchised Inam land in the village of Asagodu (acres 10—5, assessed at Rs. 4) died in 1874 without issue, and her personal property and house were made over to (1) Ramappa, (2) Gopalappa and (3) Venkappa as her heirs in 1879, under the orders of the then Deputy Commissioner.

2. In 1885-86, Ramappa's son Ramachandrappa, Gopalappa's widow Venkamma, and Venkappa above mentioned, gave the Inam in gift to Appellant and requested that the Inam might be registered in his name. The Deputy Commissioner ordered the Inam to be resumed in 1889 and issued the Patta in the name of the Respondent who cultivated the land The appeal is against this order.

3. Venkappa and Ramachandrappa, the alleged heirs of Mamakka stated at the hearing that the deceased Mamakka was their grand-father's brother's granddaughter and that the Inam land originally belonged to their family. The Inam Register shows that the Inam was the paternal property of Mamakka, and the parties who alienated the land to Appellant are therefore her heirs at law, and their right was also once recognised by the Deputy Commissioner of the District. The Government therefore direct that the Inam be made over to the Appellant. Respondent has not even a shadow of right to it

Letter No. 429, dated 5th November 1892, from the Deputy Commissioner, Tumkur District, reporting on the Petition of appeal presented by Siddaiya of Rampur, Gubbi Taluk, complaining that though he was the first applicant for certain sub-numbers in Survey No. 11 in the said village and had got the field phoded, yet the lands had been, on the application presented subsequently by others, ordered to be sold by auction.

No. 20027—Pet. 1515, DATED, BANGALORE, 22ND MAY 1893.

ORDER THEREON.—The Government observe that, as the Petitioner was the first darkhastdar and no other applications were received on the day on which he presented his darkhast, and the land applied for being included in list A, it ought to have been granted to him without sale under para 1 of Rule XX of the Revenue Rules. The order made by the Amildar for the sale of the land by auction is therefore set aside. The Amildar will be directed to grant the lands to the Petitioner without sale.

(1) Petition No. 207—11, dated 21st July 1892, from Narasimhachar of Attawar, Grama Sub-Taluk, appealing against the order of the Deputy Commissioner of Hassan, fining petitioner and removing him from the office of Shanbhog of Attawar.

(2) Proceedings received with letter No. 355, dated 30th August 1892, from the Deputy Commissioner, Hassan District.

No. 20028—Pet. F. 111-92, DATED, BANGALORE, 22ND MAY 1893.

ORDER THEREON.—The action of the Deputy Commissioner, Mr. Nasirudûin, in this case cannot be approved. The Appellant was ordered to be removed from office, because he failed to attend on the date fixed for hearing, and he was fined for having failed to deliver over charge of the office and misrepresented to the Amildar that the Deputy Commissioner promised to send favorable orders. But the Government observe that the Appellant did attend the Deputy Commissioner's office at the Head-quarters on the date fixed, and only failed to go to the station where the Deputy Commissioner happened to be on that date. This is not an offence that should be visited with removal from office. As regards his failure to deliver over charge, the Appellant did not actually refuse to deliver over charge, but only requested that he might be allowed to retain charge till the collection work was over and this application was submitted for orders. With reference to the alleged mis-representation, it is not clear from the records when the Appellant went to the Deputy Commissioner and when he was told that favorable orders would be issued. The Deputy Commissioner, however, in his order simply states that he passed no such orders, but does not state that Appellant did not appear before him at all. It is possible that Appellant misunderstood the orders of the Deputy Commissioner.

2. Under all these circumstances, the Government resolve to cancel the order of the Deputy Commissioner and remit the fine imposed on Petitioner. He should be forthwith restored to office, and the fine, if recovered, refunded to him.

Appeal No. 25 of 1892-93

Appellant.	*Vs*	*Respondent.*
Hanumantaiya of Devalapalli, Srinivaspur Sub-Taluk, Kolar District, represented by Mr. S. Narayan Rao, Advocate.		Annaiya, represented by Mr. L. Srinivasaiengar.

Hanumantaiya, Shanbhog of Devalapalli, died in 1869, leaving 3 daughters. The Appellant is the son of the 2nd daughter who is now dead. The Respondent is the son by the eldest daughter who is alive, and the 3rd daughter Muni Lakshmamma who has also a son is alive. In 1870, Respondent's elder brother Sanjivaiya who was an infant was appointed as Shanbhog, but on his death in 1877, Appellant was appointed, as the Amildar reported that he was the brother of the deceased. In 1888, the Deputy Commissioner having found that the Appellant was not the brother of Sanjivaiya, cancelled the Appellant's appointment, and appointed the Respondent in his place. In 1892, Appellant petitioned the Deputy Commissioner to set aside the order of 1888, but he declined to do so, and the present appeal is against this order.

2. The Appellant's contention is that he never misled the Deputy Commissioner in 1877, as he clearly stated in his petition that he was the son by the 2nd daughter, and that the Deputy Commissioner in 1888 had no power to set aside the order of his predecessor made in 1877. It is, however, a fact that the Amildar in 1877, did state that the Appellant was the brother of the deceased Sanjivaiya and he made no allusion to the existence of the Respondent. If he had stated that the

Respondent was the real brother of the deceased, and that Appellant was only his aunt's son, probably Appellant would not have been appointed. Under these circumstances, the order of 1888 seems to be equitable and the Government see no reason to interfere with it. It is true that Appellant has as much claim to the office as the Respondent, but preference has been properly given to the latter, as he was the son of the eldest daughter. The appeal is dismissed.

In 1870, on the death of the son of Appellant who was Patel, the Respondent a member of a different family and half-sharer in the Pateli *hak*, was appointed Patel. Appellant appealed, but the Chief Commissioner decided, in 1871, that Appellant was only entitled to maintenance. In 1892, Appellant again claimed the office, but the Deputy Commissioner refused to interfere in her favor. The appeal is against this order.

2. Considering the length of time Appellant's family has been out of office and as Appellant also appears to be still receiving maintenance from the Respondent, the Government cannot now interfere in the matter in her favor. Appellant may bring a regular suit if she likes.

Appellant's father was, for sometime, doing duties of Patel in the *Bechirak* village of Padvankote, there having been no hereditary Patel for the village, but in 1888, the Deputy Commissioner appointed Respondent's father Ramanujaiya a Patel, since Appellant's father who was Patel of another village could not, in his opinion, well perform the duties of this village also. Appellant appealed against the order of the Deputy Commissioner in March 1890, but the Government rejected the appeal on the ground that he had no hereditary *hak* for the office claimed. In 1891, Appellant filed a regular suit, and the Deputy Commissioner dismissed it on the ground that Appellant had no right to the office. The present appeal is against this decree.

2. There is no evidence that Appellant's father was ever appointed to the office or that he has any hereditary right to it. The appeal is therefore dismissed. The first Respondent who has succeeded his father will continue to be the Patel of the village.

Respondents' grand-father was Patel of the village. On his death in 1863, his minor son, Respondent's father, was appointed to the office, and the deceased's brother who was Appellant's father was appointed to officiate for him. In 1880, Respondent's father was allowed to do the duties of the office himself, and on his death in 1889, first Respondent was appointed Patel.

2. In March 1890, Appellant presented a petition that he might be appointed Gumasta for the first Respondent, but his application was rejected.

3. In December 1890, Appellant brought a regular suit for the office, and the Assistant Commissioner passed a decree to the effect that Appellant and Respondents should each hold the office for 5 years, but this decree was reversed on appeal by the Deputy Commissioner, on the ground that there was nothing to show that Appellant's father ever held the office, while the Respondents contend that their grand-father whose name alone appears in the registers was the adopted son of the original hakdar who belonged to a family different from that of the Respondents. Even at the hearing, the Appellant has failed to show that his grandfather ever held the office, and the office has been admittedly held by the Respondents for 3 generations. Under these circumstances, the appeal is dismissed, and the decree of the Lower Court confirmed.

The Registers of 1836, 1856 and 1868 show that Respondent's father Seshabhatta was the Patel of Kundur. A remark is entered in the Register of 1864 that Seshabhatta resigned the office and that the office was vacant. The office was apparently vacant for some time, but in 1886-87 Respondent was formally appointed to the office. Appellants state that after Respondent's father resigned the

office, their father Gundappa did duties of the office and that therefore the appointment should be conferred upon one of them. The Deputy Commissioner who enquired into the case rejected the claim of the Appellants in 1887, as there was no evidence whatever either that Appellant's father was appointed to the post or even that he did duties of the office. The appeal is against this order.

2. There is nothing in the records to show that Appellants have any right or claim to the office. The appeal is therefore dismissed.

Education Secretary's Memorandum, dated 10th May 1893, on the appointment of Committees for the supervision of Hobli and Taluk Branch Schools.

C. No. 223—41, DATED 29TH MAY 1893.

ORDER THEREON.—In 1884 some action was taken to appoint Committees for the supervision of the village schools in the Province. These Committees were chosen by the Deputy Commissioners in consultation with the Amildars and the Deputy Inspectors of Schools, and orders were issued for their appointment in some districts. In a large number of schools these Committees exist at present but they do not appear to have taken much interest in the welfare of the schools. It is necessary therefore to make a fresh selection of members and define clearly the duties of the Committees. The Deputy Inspectors of Schools will select during their tour of inspection with the approval of the Amildar from three to five intelligent villagers to form a Committee for each Hobli and Taluk Branch School. The best educated member of the Committee will be appointed 'Correspondent,' whose duty it will be to undertake all writing work on behalf of the Committee. The Patel, the Shanbhog and such other intelligent villagers as are likely to take an interest in the progress and welfare of the village school or have sons or dependents at school should be chosen members of the school Committee. After the approval of the Amildar is received, the Deputy Inspectors will issue to each member selected a Sannad of his appointment in the form appended to this order. The duties of the Committee are defined in this Sannad. The necessary alterations and additions may be made in the constitution of the Committees in future by the Deputy Inspectors with the approval of the Amildars as the interests of the schools may require.

Letter from the Honorary Secretary, Maharani's Girls' School, Mysore, No. 37—3, dated the 25th March 1893, forwarding for the approval and orders of Government the Proceedings of the Managing Committee passed at the meeting held on the 22nd February 1893.

C. No. 245—46, DATED 29TH MAY 1893.

ORDER THEREON.—The Resolutions passed at the meeting of the Managing Committee of the Maharani's Girls' School held on the 22nd February 1893, are approved and sanctioned.

2. It is observed that the acting allowance of Rs. 15 a month recommended for Balaji Rao who acted for Mr. C. Subba Rao is not in accordance with the rules of the Acting Allowance Code. Government does not however think it desirable to alter the allowance which the Committee recommends.

3. The monthly pay of Rs. 3 recommended for the last grade of peons in Resolution IV seems small, when the wages ruling at the present day are considered, but as the Committee recommends this pay and has probably reasons for thinking it to be sufficient for a probationary period of two years it is sanctioned.

Education Secretary's Memo, dated the 10th May 1893 and Docket No. 148 of the 14th March 1893 of the Principal, Central College, regarding the rules under which the special prize for Physics of the value of Rs. 100 should be awarded in future.

C. No. 247, DATED 29TH MAY 1893.

ORDER.—As the B. A. Degree Examination has been divided since last year into three Branches in any one or more of which a candidate is allowed to pass at a time, the Special Prize of Rs. 100 for proficiency in Physics shall be given annually hereafter to the candidate from the Central College who passes with the highest number of marks in the First Class in Science Branch II A (Mixed Mathematics and Advanced Physics), provided he has passed in the other two Branches either in the same year as he passes in Science Branch II A or in the year immediately preceding that in which he passes in the Science Branch.

Resolution III of the Managing Committee of the Government Arya Bahka Pathasala passed at the meeting held on the 19th January 1893, requesting Government to empower the Committee to fine any teacher in a sum not exceeding half his monthly pay, and to appoint, fine, suspend or dismiss any peon or menial servant without reference to Government.

C. No. 248, DATED 29TH MAY 1893.

ORDER THEREON.—Government has no objection to empower the Committee to appoint, fine, suspend or dismiss any peon or menial servant without reference to Government. In the case of teachers the Committee has the power of withholding their pay for one or more days when they may be absent without leave, and of recommending their suspension, reduction or dismissal for inefficiency or continued neglect of duty. The heavier punishments of transfer, suspension, reduction or dismissal seem to be more appropriate than fines which in the opinion of Government have a very demoralizing effect generally and are especially unsuitable as punishments in the case of teachers who must command the respect of their pupils if they are to exercise any moral influence on their character.

Education Secretary's Memorandum, dated 11th May 1893, on the appointment of a Kanarese Translator to the Education Department.

C. No. 291, DATED 29TH MAY 1893.

ORDER THEREON.—Government is pleased to sanction the appointment of a Kanarese Translator to the Education Department on a monthly salary of Rs. 150. His duties will chiefly be to translate English School Books and other English Books, to revise existing text-books and write new text-books under the directions of the Education Secretary, to report on Manuscript and printed books received for patronage, and to pass through the press all educational books. The appointment is sanctioned as a temporary measure for a period of two years, at the end of which Government will judge from the results achieved whether it may be sanctioned for a longer period.

PART I

PUBLIC WORKS.

Proceedings of the Government of His Highness the Maharaja of Mysore, (Public Works Department),—dated 6th May 1893.

READ:—

Chief Engineer's Note, dated 1st February 1893, submitting Sanitary Works Budget for 1892-93.

No. 1925-29—320-24, DATED, BANGALORE, 6TH MAY 1893.

ORDER THEREON.—The Budgets submitted by the Sanitary Engineer in accordance with para 6 of Government Proceedings No. 5375—86, dated 12th December 1892, have been duly considered by the Government. The expenditure during 1892-93 provided for in these Budgets are as follows:—

	For Works	Tools and Plant.	Establishment charge at 10 per cent.	Total.
As per Original Budget	1,31,650	1,000	13,165	...
As per Supplemental Budget	27,797	0	2,779	...
Total...	1.59,447	1,000	16,944	1,77,391

2. Out of the provision made for works, Rs. 5,000 from Palace Fund, stated to be required for the drainage of the Palace at Mysore, may for the present be omitted, pending the consideration by His Highness the Maharaja of the report promised by Colonel Bowen in his note of 7th June 1892.

3. The remainder of the proposed provision for works is partly on account of works under execution from grants sanctioned in the Provincial Public Works Department Budget, and partly on account of minor works sanctioned for the various Municipalities from time to time. It will be convenient, however, to enter the former of these two classes of works as "Part I. Public Works Department," and the latter as "Part II. Municipalities."

4. Large works of such importance as to induce the Government to give grants-in-aid or loans from Provincial Funds should be regarded as belonging to Part I. The Sanitary Engineer's subordination to the Chief Engineer as directed in para 3 of the Proceedings of 12th December 1892, need exist only as regards this class of works.

5. As regards minor works in the various Municipalities which the Sanitary Engineer is required to scrutinize and supervise (*vide* the concluding part of para 1 of Proceedings, dated 12th December 1892), it is not possible for the Chief Engineer to exercise any professional control, and these works (for which due sanction will be given in the Municipal Department upon the various Budgets) should be in Part II of the Sanitary Engineer's Budget. For the supervision and, where necessary, execution, of these works by the Sanitary Engineer and his establishment, a moderate charge of 10 per cent of the actual cost of the works may be recovered from the Municipalities concerned and credited to the Public Works Department.

6. Regarding the establishment charge on account of works in Part I, separate orders will be passed after some experience of the present system.

7. For Part I of the Sanitary Engineer's Budget the Government are prepared to grant, during the next 5 years, an annual sum of one lakh of Rupees, one half of which to be a grant-in-aid and the other half a recoverable loan to the various Municipalities concerned. Over and above the annual grant of 1 lac as above, the Government will also give the money required to complete works of special improvements already in hand, all of which should go into Part II.

8. For sanitary works other than those benefiting particular Municipalities, the required funds should be provided out of the various District Funds concerned. Works of this class, if any, should be Part III of the Sanitary Engineer's Budget.

9. With the foregoing observations, Part I of the Budget for 1892-93 as appended to these orders is hereby sanctioned. It will be seen that this part consists wholly of works transferred from the Public Works Department Budgets. Under that Budget the allotment for works is Rs. 69,993. Under "improving the water-supply of the Petta of Bangalore" an increase of Rs. 40,000 is sanctioned on account of iron pipes which have had to be ordered from England. Under "drainage of the western extension of Mysore" an increase of Rs. 2,132 is sanctioned in addition to Rs. 7,868, included in the estimate for Chamrajpura. Thus the total sanctioned grant for works in Part I is Rs. 1,12,125.

10. The schedule of establishment appended to these orders is sanctioned for the Sanitary Engineer. The cost for 6 months of 1892-93 amounts to Rs. 11,000 and with Rs. 1,000 for tools and plant, the total Budgetted expenditure now sanctioned amounts to Rs. 1,24,125.

11. The Sanitary Engineer will forward for record in the Public Works Department Parts II and III of his Budget prepared in accordance with the foregoing instructions.

12. For the extension of the City of Bangalore being carried out by Special Committee of which the Sanitary Engineer is the professional adviser, the Government has granted a recoverable advance of Rs. 20,000. This item may, for the purpose of convenience, be entered in Part III as an exceptional case.

				ment orders with an explanation of the circumstances under which a mistake in such an important matter has occurred.
168	20275 R. F. 45-92	28th	The Excise Commissioner in Mysore.	Pointing out that the memorandum enclosed in his No. 5644—354, dated 25th April 1893, does not show that the arrears due from the late Arrack Contractors Messrs. C. Papanna and Co., have been fully adjusted as stated by the Excise Commissioner and requesting that he may place himself in communication with the Comptroller on the subject and furnish the Comptroller's acceptance of the adjustments indicated.
169	20276 R.F. 45-92	Do	The Comptroller to the Government of Mysore.	Forwarding a copy of the above.
170	20310 R. 2439	29th	The Deputy Commissioner, Shimoga District.	Returning the refund bill for Rs. 21-13-0 submitted by him in favor of certain raiyats of the Shikarpur Taluk, being the excess amount of kandayam recovered from them through the inadvertance of the Patel and the Shanbhog, with a request that a revised bill may be submitted together with further explanation on certain points.
171	20313 R. F. 38-92	Do	The Deputy Commissioner, Hassan District.	Rejecting the application for the grant, for garden cultivation on shraya tenure, of the whole or a part of Survey No. 12 in the Chellapura village, Arsikere Taluk, now forming part of the assignment to the village for free grazing, as it is too much of a favorably situated toddy grove to be given out for cultivation, and its grant would unduly diminish the extent of free grazing land required for the village cattle.
172	20307 R. 2436	30th	The Joint Secretary for Railways.	Requesting that a copy of the half yearly accounts of the Mysore State Railway subsequent to the half year ending with December 1891 may be forwarded to this office.

5	19160 R. F. 119-92.	14th	The Muzarayi Superintendent.	Forwarding in continuation of this Office No. 17396—R F. 119, dated 21st April 1893 for report a copy of letter No. 3818—269, dated 4th April 1893, from the Inspector General of Forests, recommending the free grant of 5 cart-loads of Jungle wood for the construction of a car of the Mahadéswara temple in Nadapanahalli village, Hunsur Taluk.
6	19233 R. F. 7-92.	15th	The Inspector General of Forests in Mysore.	Declining to sanction the recommendation of the Deputy Commissioner to grant wood and bamboos on favourable rates of seigniorage to two individuals of Shimoga to rebuild their houses destroyed by fire, with the remark that it seems to be, if at all a case for private charity rather than Government help, contrary to rules fixed in Government Notification No. 9837 —R. F. 226-92, dated 9th December 1892.
7	19241 R. F. 101-92.	16th	The Inspector General of Forests and Plantations in Mysore.	Stating, with reference to the proposal to reduce the duty on Toppali bark from Rs. 6 in the Bangalore and Mysore Districts and Rs. 7 elsewhere, to Rs. 5 per cart-load throughout the State, that any reduction of the present rates is undesirable, and that lower rates than these would lead to much destruction of the trees in question.
8	19496 R. F. 7-92.	18th	The Inspector General of Forests in Mysore.	Sanctioning the free grant of 28 cart-loads of wood and 12 cart-loads of bamboos valued at Rs. 41 to three raiyats of Menasandra village in the Tumkur Taluk to enable them to rebuild their houses destroyed by fire.
9	19505 R. F. 7-92.	Do	Do do	Sanctioning as a special case, the free grant of 6 cart-loads of wood and 600 bamboos valued at Rs. 30 to three raiyats of Kathihalli village in the Hiriyur Taluk, to enable them to rebuild their thatched houses destroyed by fire, with the remark that the value of the materials recommended should, as a rule, be within the amount of Kandayam payable by the applicants, and all cases cannot be treated specially.
10	19494 R. F. 7-92.	Do	Do do	Sanctioning the free grant of 13 cart-loads of wood and 700 bamboos valued at Rs. 89 to two raiyats of the Mansetti village, Nagar Taluk, to rebuild their houses destroyed by fire.
